Dear James:

Thank you for giving hope to Philadelphia's homeless and at-risk animals. Your donations totaling \$820.50 on November 15, 2023 enable us to give pets like Cheryl a chance at life.

Your generosity makes it possible for us to rescue dogs and cats who are waiting for help right now, *and* brings us closer to achieving our mission of making Philadelphia a no-kill city. We are making incredible progress: when PAWS began, just 11% of shelter pets survived. Today, that "save rate" is 87% and rising, thanks to extraordinary animal lovers like you.

As a no-kill shelter and the city's largest rescue partner, PAWS saves animals who have nowhere else to go. We provide needed medical care, spay/neuter, and TLC, and place them into loving foster or adoptive homes. **Every time we send an animal home, we fill that vacancy with another pet who is desperately waiting for the same chance.**

PAWS also works to keep animals out of shelters in the first place through our low-cost Spay/Neuter and Wellness Clinics, serving pet owners who could not otherwise access or afford veterinary care, and our Safety Net program, which offers food, supplies, temporary housing, and support to protect those precious bonds. Every day, our services make it possible for beloved dogs and cats to stay with their families rather than be surrendered. **Our efforts have helped reduce the number of animals entering the city shelter by 54%.**

*Cheryl: rescued by PAWS  
and on her way to a new life!*

**PAWS' work is completely privately funded, so we depend on support like yours. Thank you for enabling us, through all of the challenges of recent years, to be a trusted place of safety and support for the people and pets who depend on us.**

**You are an important part of PAWS' lifesaving community. Together, we will make Philadelphia a no-kill city where every savable pet is guaranteed a home.**

With gratitude on behalf of the animals,

*Thank you so much for your  
continued support, James!  
Happy holidays!*
